

EARLY SCENES ARE REPRODUCED FOR CHIEF EXECUTIVE

President and Mrs. Harding Guests of Meacham, Oregon

(By The Associated Press)
MEACHAM, Oregon, July 3.—The president and Mrs. Harding were reproduced here today the scenes of Oregon's pioneer days and traveled the Old Oregon Trail, the road which saved an empire.

Here in the little town of Meacham on the top of the Blue Mountains, were re-enacted for the chief executive of the nation and his wife the stirring events of the early days of the last century—events which brought about inclusion of the Oregon country in the American union. Because of the unusual day devoted to celebration of the long trek of the pioneers over the old Oregon Trail the President and Mrs. Harding enjoyed to the utmost declaring it to have been one of the great days of their trip.

The town of Meacham has only fifty inhabitants but it reached the proportions of a fair sized city today as automobiles, special trains and wagons and carts poured their way into the little valley with lines of people on the Oregon pine forests.

The President and Mrs. Harding found thousands awaiting them when their train came to a standstill at 9 o'clock this morning. Besides the grounds where the celebration was held, horsemen wearing the cavalry uniforms of the Civil War days escorted their train into the valley and cowboys and cowgirls rode daring up to the train to extend greetings to the Oregon pioneers. An old crowd of people with leather springs, drawn by a team of six horses waited beside the train and the President and his wife were placed in it for a ride thru the valley and thru a little creek to a reviewing stand erected on the hill side.

Dignitaries of the state, Governor Pierce and Senators McNary and Stanford, with Governor Hart of Washington and the other members of the presidential party followed in automobiles.

Arriving at the reviewing stand the President found seated about him, pioneers who entered the Oregon territory prior to 1853 and before him those who came immediately after.

Soon over the hill top appeared the pagant which depicted the early days beginning with Captain Gray who discovered the Columbia river in 1792, John Jacob Astor, founder of Astoria and William Price Hunt party which blazed the Oregon Trail.

Then followed in succession episodes depicting the coming of the first missionary, Jason Lee and his Methodist band, Dr. and Mrs. Marcus Whitman, who lost their lives in the Whitman massacre, the Spaulding party of Presbyterians and the Episcopalians led by Bishop Scott.

A dozen covered wagons representing the first train of immigrants to cross the Blue Mountains and the outstanding pioneers, Buffalo Bill, Kit Carson, John C. Fremont and others followed. The pagant ended, the concord coach again drove up. Mrs. Harding insisted on riding with the driver, and after being helped to the high seat rode away while the hills echoed with applause.

The President in delivering his address paid tribute to the pioneers and the achievements of the spirit of the age.

In this test of self-reliant citizenship there came the rugged militant, wholesome west," he said. "Greater things were wrought, larger accomplishment was recorded, greater victory was won in this wholesome, inspiring individualism than will ever attend paternalism or government assumption of the tasks which are the natural inheritance of the builders who may better serve for themselves."

"Government may well provide opportunity, but the worthwhile accomplishment is the privilege and the duty of men."

**HOTEL PROPRIETOR
MADE VISIT TO CITY**

M. E. Rice of Dixon, Ill., was a recent visitor in Jacksonville. Mr. Rice is the proprietor of the Nachusa Tavern at Dixon and also the Lincoln Inn at Sterling. The Lincoln Inn is a 75 room hotel which was recently completed. It is three stories high and by 140 feet in general dimensions. The structure while modern is not of fire proof type and cost approximately \$100,000.

Mr. Rice made the visit to the city with the thought of interesting local men in building a hotel of the Lincoln Inn type.

WALTER HINES PAGE HONORED BY GREAT BRITAIN YESTERDAY

Tablet Was Dedicated to
Former American Ambassador

(By The Associated Press)
LONDON, July 3.—Walter Hines Page, who held the post of American ambassador to Great Britain during the war was given place today among the illustrious dead of the ages in Westminster Abbey. A marble tablet commemorating his friendship and sympathy in Great Britain great hour of need was unveiled by Viscount Grey this afternoon.

Not since the Duke of York's Wedding has the pantheon held a more distinguished company of men high in the councils of state or a larger, more representative gathering from both countries. The British government was represented by the prime minister Stanley Baldwin, six members of the cabinet, the American government by Andrew W. Mellon, secretary of the treasury, James M. Beck, solicitor general, Post Wheeler, counselor of the embassy, staff, and Robert P. Skinner, consul general.

Preceding the religious service in the abbey which was one of great beauty and impressiveness, Lord Grey who probably enjoyed a closer acquaintance with Mr. Page than any other Englishman, delivered a brief dedicatory address in which he declared that the name of Walter Page should be remembered with honor and affection as that of "one who gave us invisible help at a time when our liberty and very independence seemed to stake."

"Mr. Page," Lord Grey continued, "was inspired by a single-mindedness to make freedom prevail among the nations of the world. His patriotism was of the noblest kind, he loved his country both for what it was and what he believed it could and would do for the benefit of mankind. It is most fitting that this memorial should be in Westminster Abbey the shrine of so much that is great honorable and dear in our history."

MILLIONS IN PROPERTY SEIZED BY FRENCH

(By The Associated Press)
BERLIN, July 3.—The finished products worth millions of dollars and consisting chiefly of machinery, other iron and steel manufactures and articles which have been seized in the Ruhr under General DeGoutte's decree are to remain under guard in the plants where they were requisitioned it was announced by the French authorities today. Just what disposition will eventually be made of these goods has not yet been decided. The French take the view that if the products were thrown on the open international market for sale at a slump in prices on the British and American markets would result. The stocks seized represent practically the entire output of the Ruhr industries since the French occupation began in January as the manufacturers have been unable to export their products and have been storing them.

**BOTH SIDES
CLAIM VICTORY**

(By The Associated Press)
CHICAGO, July 3.—Victory in the strike of Caisson Workers which has tied up a number of large building operations in the city was claimed today by both sides of the controversy.

E. M. Craig, secretary of the declared that most of the laborers have returned to work and that the strike is virtually over. Martin J. Egan head of the building laborers' union denied that the strike was losing force and claimed that 5,000 men were out with more expected to follow.

PAYMENT OF BONUS TO SOLDIERS WAS STARTED YESTERDAY

State Auditor Russel Mails First Three Personally

(By The Associated Press)
SPRINGFIELD, Ill., July 3.—Payment of the \$55,000,000 Illinois soldier bonus started this afternoon when State Auditor Andrew Russel's office placed 8,000 bonus checks in the mails. They are on their way tonight to ex-servicemen and women in all parts of the state who served Illinois in the World war.

The first three checks were mailed by Mr. Russel in person. As soon as the first three checks had been placed in their envelopes he took them to a mail box in the state house.

"There they go," said the auditor. "By tonight the mails will be flooded with bonus checks."

Richard P. Synwolt of 2148 Cullum Avenue, was the first to have his check mailed. It entitled him to the maximum bonus of \$300. His name was the first one drawn when the applications were opened several months ago. The next two to receive checks are Mrs. Mark O'Keefe, of Chicago, mother of Andrew O'Keefe, deceased, who will draw \$167.50 and James T. Carney of Chicago whose share is also the maximum of \$300.

The office force in Auditor Russel's office worked late to get the remainder of the 13,000 checks which are already prepared in the mails tonight. In addition to this 13,000 the auditor has on hand 17,000 additional names for which checks are yet to be written. An effort will be made to mail all of these by the end of the week, so that by Saturday night the first 30,000 bonus checks will have been sent out. The bonus recognition board has this much head start on the auditor's office.

The first 8,000 checks sent out are said to average \$225 a piece. This means that about \$1,800,000 of the state's money was paid out today. In addition to the applicants' claim No. 1, name and number of days served the checks bear these words:

"War Service—State of Illinois"

Each check also bears a serial number corresponding with a number on the envelope in which it is mailed.

Considerable delay was caused up to the last minute by numerous changes in addresses. These address changes are two and three times since they filed their application. A number of envelopes already addressed and sealed ready for mailing had to be recalled because of changes of address. A number of checks will be returned because the payee cannot be located at the address given, officials predict.

PEAK REACHED IN IMMIGRATION RUSH

(By The Associated Press)
NEW YORK, July 3.—Officials at Ellis Island said tonight that the peak of the greatest immigration rush since the quota law became effective had been reached when the quotas of nine countries became exhausted and 3,223 steerage passengers arrived in the harbor.

The quotas filled were: Africa (Except Egypt); Albania, Flume, Greece, Other Asia (Including Persia) other Europe Palestine, Syria and Turkey.

Before the inspectors began work today there awaited inspection 4,077 passengers. The inspectors accounted for only 2,090 of these before night fall.

**WILL ACT DEAN
OF ITINERANT SCHOOL**

Rev. C. D. Robertson of Centenary church will leave Monday for Bloomington where he will act as Dean of the Methodist Minister's Itinerant school that will be in session July 10th to 20th. Rev. W. C. Hamand, formerly pastor of Waverly M. E. church, and Rev. A. F. McCarty of the First M. E. church of Bloomington will also be members of the faculty.

The school is held annually by the Illinois and Central Illinois conferences of the Methodist Episcopal church and is operated for all the undergraduate ministers of the conferences.

The wire will open at 12:30 P. M., Central Standard Time.

The first preliminary will start at 12 o'clock Mountain Time, which will be 1 o'clock local time.

Bulletins will be posted in the Journal window beginning at 12:30 P. M., local time.

The Dempsey-Gibbons battle is scheduled to start at 4 o'clock local time.

**Shelby Awaiting
Sound of the Gong**

(By The Associated Press)
SHELBY, Mont., July 3.—Arog with excitement and packed with surging crowds of fight fans, Shelby tonight was anxiously awaiting the great pugilistic event which tomorrow will focus the eyes of the entire sport world on this little Montana town.

Assured of the title bout between Jack Dempsey and Tommy Gibbons, after one of the most hectic and despairing financial battles ever waged by community proud citizens in the history of pugilism, the residents of this crowded conglomerate city of shacks, tents and concession stands, fight officials and trainers were drawing to a close the elaborate preparations which have been proceeding busily for the past three weeks.

Only a few details remained to be completed tonight. Apparently the least disturbed of any man in Shelby, Tom Gibbons the St. Paul contender romped with his three children in his little green-roofed cottage, went for a short walk over the nearby hills in the afternoon and saw cow punchers and roughriders perform at a rodeo.

"If I am defeated tomorrow, I will know I am not fit to hold the heavyweight title," Gibbons said this afternoon. "This is the opportunity of my lifetime. It is the goal toward which I have been working for three hard, busy years. It finds me near the absolute perfection of condition."

"I am more than confident I will win. I have a plan of campaign mapped out in my mind. A single punch will not disturb my plans. I will enter the ring sure what I can do and certain of the outcome."

"I am determined to win as much as for what it will mean for my family as the title itself. When I fought Harry Greb, I slipped back a year in my progress toward the title. I will not let that happen again."

The financial affairs of the bout were placed in the hands of the government today by Jack Kearns, who is checking receipts at headquarters here in collection of the final installment of his protegee's guarantee.

**NEGRO WAS LYNCHED
ON MAIN STREET OF
SCHULENBERG, TEXAS**

Was Identified by Twelve
Years Old Girl as
Assailant

(By The Associated Press)
SCHULENBERG, Texas, July 3.—Jesse Bullock, 23 year old negro, believed to have come here from Cameron, Texas, was lynched on the main street of this town at 4 o'clock this afternoon.

Bullock was identified by a 12 year old white girl as the negro who had criminally attacked her at her parents' home near here shortly before noon.

The negro was captured following an alarm telephoned to town by farmers. He was taken back to the scene of the attack, about six miles from Schulenberg. There the girl, still under treatment by a physician, identified him as her attacker.

A posse of about 200 of Colorado and Lavaca county citizens intercepted Bullock as he was being taken to jail. He was taken to a convenient tree on the main street and strung up before a crowd estimated at more than 300 persons.

Bystanders said that as the noose was adjusted about his neck the negro broke down and admitted he was guilty of the attack.

**SPRINGFIELD PEOPLE
WILL SPEND DAY HERE**

C. A. Sheppard will entertain his sister and her husband, Mr. and Mrs. Edward Kastrup, and daughter, Eloise, and Mr. and Mrs. Miller, of Springfield, today. The party will drive to this city and in the evening will take Mrs. Sheppard back to the capital with them for a few days.

FRANCE'S REPLY TO GREAT BRITAIN WAS PRESENTED TUESDAY

Seems to Offer No Solution to Reparations Problems

(By The Associated Press)
LONDON, July 3.—France's long awaited reply to the British memorandum on reparations was presented to Foreign Secretary Marquis Curzon this afternoon, but it offers no solution of the seemingly indeterminate indemnities problem. Count DeSaint-Aulaire, the French ambassador in an earnest talk with Lord Curzon lasting nearly an hour and a half set forth France's views on various phases of the Ruhr question but failed to define in specific terms her country's attitude on some of the points raised in Lord Curzon's recent questionnaire.

The lone verdict of those in a position to know what took place at the conference is that it is unsatisfactory and inconclusive, but these authorities were quick to add that the way was left open for further discussion. This is taken to mean that the exchange of views will continue for another week and perhaps longer.

There was undisguised disappointment in British official circles that neither of the allies showed a disposition to recede on their previously expressed demands. At the same time talk of a rupture is dismissed and the suggestion of independent action by Great Britain is but lightly accepted.

United Action
"An effective solution of the problem can be found only in the united action of all the allies," said one British official tonight. "If we acted separately, that assurance could we give Germany that she would be safe from interference by France?"

The whole reparations problem will be discussed at tomorrow's cabinet meeting in the light of today's conference with the French and Belgian envoys. Meanwhile the foreign office announces nothing will be given out for publication until the conferences have disclosed more conclusive decision. No date has been set for resumption of the negotiations with Count DeSaint-Aulaire and Baron Moncheur.

The general feeling in London tonight is that a settlement of the problem which is paralyzing the whole economic and industrial life of Europe is no further advanced than it was a month ago, and that no basis for a real agreement can be reached until the premier and foreign ministers of all the allied powers have a full and frank talk at a general conference.

**OPENING STATEMENTS
IN CONSPIRACY TRIAL**

(By The Associated Press)
WAUKEGAN, Ill., July 3.—Opening statements and the presentation of evidence in the trial of John B. Fields, Edward Kaufman and W. L. Pierce will be completed this afternoon.

State's Attorney A. V. Smith will make the opening statement for the prosecution.

W. W. O'Brien and William Scott Steward will defend Courtney and Kaufman and E. M. Runyard and W. L. Pierce will defend Fields.

The jury panel was completed after the examination 150 witnesses and included seven farmers, one garage owner, one taxi driver, one banker, a carpenter and a landscape gardener.

**WILL REQUIRE
AN ACCOUNTING**

CHICAGO, July 3.—Accounting to the city for \$350,000 the amount in the Pageant of Progress treasury, will be required of former Mayor William Hale Thompson and other officials of the pageants under a ruling by the appellate court today. Appointment of a receiver in the case was avoided by posting a bond for the amount in the treasury. Later a court ruling set aside application for this appointment.

The petitioner, Attorney Samuel Grossman claimed this money belonged to the city and the defendants claimed it belonged to the semi-political organizations behind the pageant.

**WILLIAM S. CAMP
WILL RETURN HERE**

William S. Camp, well known here as instructor of printing at the School for the Deaf prior to this year has been ordered to begin his duties in that capacity again. He was made instructor at the St. Charles School for boys several months ago, and W. D. Harrington was given the post here. Mr. Harrington is now vacationing in the southern part of the state.

Mr. Camp who with his son John was in town yesterday, will begin work Thursday.

ONE KILLED; TWO ARE WOUNDED IN PISTOL BATTLE IN CHICAGO

Police Believe That it Was
Liquor Runners'
Fight

CHICAGO, July 3.—One man was shot to death and at least two others were wounded early today in a pistol battle between the occupants of two trucks believed by the police to have been liquor runners. The fight occurred near Lemont, Ill., on the outskirts of Chicago and when it was over one man was left dead in a ditch, another lay wounded nearby and a third, captured later had several slugs from a shotgun in his body.

The men captured told of other in the cars who had been wounded during the fight and who escaped. Alvin Jones of Argo, Ill., was killed. Harvey Wellman of Joliet was injured and William Stevens, a former motorcycle policeman and at one time sentenced to life imprisonment at Detroit for murder was the third man wounded.

According to Roy and Harry Wellman, brother and cousin of Harvey Wellman, they were on their way from Joliet to Chicago in a truck when they were stopped by five men in an automobile and made to get into the automobile while they drove away. The machine had proceeded only a short distance they claimed when it encountered another car in which eight men were riding started firing. The police said they believed the truck in which the Wellman boys were riding may have been taken by each of the bands as a liquor running truck and each and may have decided to capture the truck.

A search was made tonight for men believed to have been in the automobiles when the fight occurred.

MILLAN WILL STUDY GLACIERS ON EXPEDITION

Believes Another Age is in
the Process of Formation

(By The Associated Press)
SYDNEY, July 3.—Captain Donald B. MacMillan, Arctic explorer and his picked crew of six sailed for the far north tonight on the Bowdoin on another long cruise, the primary object of which is to determine, if possible, whether another "ice age" is in the process of formation.

The advance of glaciers in the last twenty years has indicated that this and MacMillan hopes to bring back the scientific proof.

He also intends to make a further study of terrestrial magnetic and atmospheric electricity. His craft is equipped with a powerful radio sending outfit, and he will send out messages to determine whether radio can be sent thru the northern lights.

"If I am not back in Sydney Harbor by September, 1924, then I will remain in the Arctic one more year," MacMillan said just before he cast off. He will make winter quarters at Cape Sabine.

Captain MacMillan took with him a bronze tablet, which he will place at Cape Sabine, where 18 members of the famous Greenley expedition died of starvation and exposure, in 1884.

Fred Cain, who is traveling thru West Virginia and Maryland for the Robinson Milling Co. of Salina, Kans., has written the Journal that he was very much interested recently in reading a story in a Cumberland (Md.) paper about Jacksonville. Evidently this story sent out by a news agency, has appeared in papers in all parts of the country, telling of the splendid progress Jacksonville is making and the operative spirit which the people are showing these days.

The administration of Mayor E. E. Crabtree is mentioned in all of these articles and the city has been securing a lot of very desirable publicity. "This is quite an advertisement for Jacksonville," writes Mr. Cain, "and to read it away down here makes me feel proud of my home city."

LACK OF HARMONY AT FARMER-LABOR MEETING TUESDAY

Comes Over Attempt to Seat Non-Mem- ber Delegates

(By The Associated Press)
CHICAGO, July 3.—Delegates representing labor agricultural and industrial groups will meet in conference tomorrow with delegates to the National convention of the Farmer-Labor Party in an endeavor to perfect a unified political front in next year's election.

Over the protests of many Farmer-Labor representatives the convention today voted to seat in the convention delegates from all units which had received the call for the convention and adjourned as a convention to meet in conference tomorrow to draft a program of harmony. Whatever action is decided upon in the conference will be brought before the delegates Thursday in reconvened convention.

All of the afternoon session was occupied in determining action on the report of the credentials committee which recommended that all delegates be seated as participating members. Disagreement arose as to seating non-Farmer-Labor delegates in convention called by that organization which grew into such a disturbance that the disorder that once threatened the meeting, presided over by Tascan Bennett of the Connecticut and New York Farmer-Labor Party.

The purpose of the convention-conference, as outlined in the call is not to combine all the groups into a single political party but to coordinate their efforts into a political machine that will achieve for the producing classes rights which speakers today declared were denied under the reign of the two present political parties.

What is Expected to Do
What such a political unit expects to do was expressed in addresses of former Senator R. F. Pettigrew of South Dakota, Lieutenant Governor George F. Cummings of Wisconsin; John Fitzpatrick of Chicago, president of the Chicago Federation of Labor and F. A. Pike of St. Paul, chairman of the Minnesota Farmer-Labor Party. Senator-elect Henrik Shipstead of Minnesota was not present at today's convention but is expected to be here tomorrow and outline his platform before the convention.

Control of the government by the working classes, abolishment of United States courts, limiting the powers of the supreme government ownership of the railroads elaborate measures looking toward the stabilization of agriculture, labor and the currency and the revision of taxes in many forms were directly or indirectly urged in speeches made by the foregoing speakers or delegates upon the floor.

Prolonged cheering followed the address of Mr. Pike, who said that the success of the Farmer-Labor party in Minnesota was but the forerunner to extinction of the two major parties in Minnesota politics.

Reading of the report of the credentials committee disclosed that William Z. Foster, recently tried under one Michigan Anti-Synicalist laws for alleged communistic activities, was a delegate to the conference from a Louisiana unit had accredited as a delegate Kate Richards O'Hare. Despite intimations that overtures would be made with the Socialist party inviting them to come within the platform of the conference no such action is expected to be taken. Inquiry among delegates as to their consideration of Henry Ford as a possible standard bearer developed the opinion was about equally divided.

Upwards of 800 delegates had signed from more than 40 states.

MADDEN WOULD CUT ARMY BUDGET

(By The Associated Press)
NEW YORK, July 3.—Representative Martin B. Madden of Illinois, chairman of the house appropriation committee said tonight on the eve of his departure on the Leviathan, that he intended to introduce a bill at the next session of congress to cut the army appropriations.

He recommended, he asserted, a reduction in the number of army posts from 240 to 69. He also said he believed the Presidio on the Pacific coast should be sold in which the army had no use for and as it was worth \$200,000 its sale would be proper.

There is no need for as many army posts scattered all over the country, he said. They don't perform any essential service and their overhead expense is enormous.

He declared he favored adequate air service and anti-aircraft guns for the Panama Canal Zone.

TRADING IN MARKS
Since the war Americans have traded extensively in German marks, and purchasers have sacrificed millions to their faith in the imperial republic's financial recovery. Now, in tardy recognition of the hopelessness of the situation, New York, like London, is considering cessation of official quotation of the depreciated currency.
The financial powers know that successful "deflation" is out of the question and that there is no reason to hope that a contraction of German currency might, by reason of resultant scarcity, eventually bring the paper mark back to par with gold. Things have gone too far for that.
Instead, it becomes apparent that, if the republic is to avoid complete repudiation of its paper, it must enter upon a policy of "valuation," fixing new values far below present par. By this means, always assuming that the printing presses remain idle, the worth of German money may be stabilized and business again may calculate on long-term contracts.
This policy, however repugnant, is really fairer than it seems, for the damage is done, and it offers the advantage of a reasonably secure foundation for the future. The sooner this country refuses to quote marks or trade in them, the more quickly the German government will see the light and move towards it.

LACKS AT ELLIS ISLAND
Discussion of restrictions and qualifications for immigrants is of great importance at this time and will continue to be until Congress has passed safe, just and workable laws controlling the situation. In the meantime, however, there are crying needs for improvement at Ellis Island right now in order to care properly for the foreigners coming to us under present laws.
It is said that conditions at that chief port of entry are most discreditable to the United States. The tragic part of it is that present officials there can do little about it. The difficulties are due largely to inadequate facilities, an underequipped staff of inspectors and cramped quarters. Great Britain asserts that British women and children have been housed in insanitary rooms and that disease and death have resulted in some instances. Inspectors are hindered from speeding their work by the many appeals taken to Washington and the political pressure brought to bear occasionally in favor of would-be immigrants detained for cause.
While time and thought must be given to the solution of the whole immigrant problem, business efficiency and humanity demand that the machinery of admission be changed. There should be a larger staff of inspectors, larger quarters, an elimination of political influence and an opportunity for the commissioners to administer immigration laws effectively.
The child of one Jacksonville family yesterday came to its death from fireworks. Later in the day a rocket fired at random caused a heavy fire loss in the business district. There may be other Fourth of July accidents, and certain it is that the day will at least have its nerve racking toll.
In Chicago the sale of fireworks is prohibited by ordinance. Isn't it about time that the same rule was applied to the smaller cities and some other means of Fourth of July celebrating found?
A plea will be made that the old fashioned noisy Fourth must be preserved for the children's sake, but with a little time and thought certainly some other satisfying method of celebrating can be found.
The \$100,000 sought for the Illinois Woman's College from Jacksonville and vicinity was not wholly secured. However, splendid progress was made in a week's time toward securing the sum, and the college authorities were fully satisfied with the result.
Some additional thousands are to be raised but with a continuation of the fine spirit of co-operation it will be possible to do this in the course of a year, or at least before the actual work of erecting a new building on the college campus begins.
The comparative success of the campaign at a very unfavorable time is a matter of satisfaction to President Harker and others associated with the college.
The same spirit of co-operation which has marked Jacksonville in the last few years continued thru this campaign and it is indicative of the Jacksonville spirit.
Senator McMurray yesterday made comment upon this spirit and said that in the few years he had been coming to Jacksonville he has been able to note a distinct change. He said frankly that when he first came here he felt that there was apathy toward the college and that people did not work together and were not interested in community enterprises. Now Senator McMurray believes that things are entirely different and he sees in Jacksonville the spirit that makes for city growth and progress.
He now believes that not only the colleges located in Jacksonville will grow but that the city as a whole will continue its forward march.

CHILD DIES FROM EATING FIREWORKS
Little Son of Mr. and Mrs. Roy Sayre Succumbs to Poison—Funeral Services Will be Held Today.
Monday evening about 8:30 o'clock little Marcus LeRoy Sayre aged about two years, son of Mr. and Mrs. Roy Sayre of 848 North West street was playing with other children at the home of his grandparents, Mr. and Mrs. Asa M. Robinson at 853 North Main street. The little fellow had asked his mother for a piece of fireworks which is known as the "Devil on the Sled." His mother gave it to him to hold, telling him that when the other children were through with their fireworks she would shoot it for him.
After the other children had finished Mrs. Sayre asked the little fellow for it and found that he had placed it in his mouth and chewed it partly to pieces. She immediately had him spit it all from his mouth and washed his mouth out with water but he had evidently swallowed a part of it. They returned to their home on North West street a little after nine o'clock and the little fellow became nauseated soon after he was put to bed. Dr. Duncan was called and the phone and he prescribed treatment, but the child gradually grew worse, passing away about six o'clock Tuesday morning.
Tuesday afternoon Coroner Rose held an inquest at the Gillham Funeral home with the following jury: R. A. Mutch, foreman; G. W. Howard, John Hodgson, C. A. Rousey and James Finch. The mother Mrs. Esther Robinson Sayre testified and a statement was furnished by Dr. W. P. Duncan, stating that the child's death resulted from exhaustion and heart failure, and the jury's findings were in accordance with Dr. Duncan's statement.
Marcus LeRoy Sayre was born near Litterberry on July 6th 1921, and would have reached his second birthday tomorrow. Besides his parents he leaves four grandparents, Mr. and Mrs. Asa M. Robinson and Mr. and Mrs. John Sayre, all of Jacksonville.
The funeral will be held this afternoon from the Gillham Funeral Home at 2 o'clock in charge of the Reverend G. T. Wetzel, with interment in Jacksonville cemetery.

Old Jacksonville
A HUNDRED YEARS AGO
(BY ENSLEY MOORE)
Member Illinois Historical Society
This heading applies rather to Old Morgan than to Jacksonville, as it has been stated in these papers. Morgan was established in 1823, and Jacksonville in 1826.
Morgan county was taken off of Greene county, and Morgan included what is now Scott and Cass counties.
Edward Coles, a native of Albemarle county, Virginia, was Governor of Illinois; Adolphus F. Hubbard was Lieutenant Governor. Thomas Lippincott was Secretary of the State Senate. Mr. Lippincott was the father of Julian P. Lippincott, now the well known lawyer here.
Governor Coles was so strongly opposed to slavery, and so honest, so that he freed his slaves, enroute to this state on the Ohio river. A bad painting in the north corridor of the capitol at Springfield, in the basement, illustrates this righteous act of our future Governor.
Daniel P. Cook, of Kaskaskia, was only state representative in

DR. LIPPINCOTT HAS MADE GOOD RECORD
Manhattan, Kansas, Paper Tells How Large Place He Has Held at State Agricultural College.
The Manhattan, Kas., Chronicle in announcing the recent appointment of Dr. W. A. Lippincott to a post in California, included the following comment:
"That the Kansas State Agricultural college has lost from its faculty one of the most distinguished scientists in his particular line was learned yesterday when the resignation of Prof. W. A. Lippincott, head of the department of poultry husbandry, was announced. Professor Lippincott's resignation becomes effective August 1 when he goes to Davis, Cal., where he will be head of the department of poultry husbandry in the agricultural branch of the University of California, at a considerable larger salary than he receives here.
"We feel very keenly the loss of Prof. Lippincott," Dr. W. M. Jardine, president of the college, commented, "but it was impossible to keep him as K. S. A. C. in the face of the much more lucrative offer from the University of California. He already is being paid the maximum salary allowed professors in Kansas state colleges."
Professor Lippincott came here January 1, 1912, to establish the department of poultry husbandry. At that time he was the only instructor in the subject. Now the department has three instructors on the campus, and two extension specialists who serve the poultrymen of the state. Much valuable research work which has attained recognition internationally a text book, "Poultry Production," which is generally regarded as the most authoritative and which is in wider use than any other college text on the subject. He is an associate editor of the "Poultry Science," a periodical, and has contributed articles on poultry husbandry and genetics to several scientific publications.
He has been chairman of the graduate council of the K. S. A. C. faculty for the past few years, and has been a factor of importance in building up graduate study here, having a keen interest in scholarship. He is a past president of the local Science Club, an honorary member of the Phi Kappa Phi, honorary scholarship society, a past secretary of the Kansas Research council, a past secretary of the International Poultry Instructors' association, and a member of Sigma Xi, honorary science society, and of the American Zoologists' society.
The poultry experimental flocks of the college have been enlarged under his direction from a few score birds to a flock from which are hatched each year 4,000 to 5,000 pedigreed birds.
Professor Lippincott also has been active in Manhattan civic affairs. He is a member of the board of directors of the Kiwanis club, and has manifested an interest generally in the welfare of the town. His many friends among faculty members and townspeople will regret his going.

MANY CHANGES MADE IN STATE MOTOR LAWS
Secretary of State Calls Attention to Changes in Laws Effective July 1st
SPRINGFIELD, Ill., July 3.—Instructions in changes made in the Illinois motor vehicle laws are being mailed out today to automobile investigators by Secretary of State Louis L. Emmerson, in order that they may be familiar with the new laws. The legislature which adjourned last Saturday made a number of important amendments to the law, all of which became effective July 1.
Among the principal changes is a new speed limit on country roads of 35 miles an hour, instead of 30, the limit therefore, and a law requiring the dimming of headlights regardless of whether they are equipped with so-called anti-glare lenses or not.
This latter provision was advocated by Secretary of State Emmerson, who found by reports of his investigators that the dimming law and the anti-glare headlight rule were both largely ignored. He believed the only way to prevent the numerous accidents resulting from glaring headlights was to require every driver to dim his lights.
New laws now in force are as follows:
Everyone must apply for state motor vehicle license within 24 hours after motor vehicle comes into his possession.
The period of reassignment of automobile numbers expire 30 days prior to January 1, instead of 20 days.
Every person operating a motor vehicle equipped with electric headlights must dim, drop or extinguish them when within not less than 250 feet of a motor vehicle approaching in an opposite direction regardless of whether or not the machine is equipped with so-called anti-glare lens or dimming device.
Dealers can use only dealer's license plates on machines operated exclusively for sales and demonstrating purposes.
Law requires garages to keep records of machine held in their place of business for rental, storage, livery or repair is repealed.
All bus and freight lines operating regularly over fixed or definite routes inside a municipality or between cities over improved state highways and with fixed schedules of rates shall pay an additional license fee of \$1.00 for each one hundred pounds gross weight of vehicle and load. In determining gross weight of vehicles used carrying passengers the weight of passengers shall be computed at one hundred and twenty-five pounds for each passenger according to the number of seats. Such additional fee shall be payable annually to the Secretary of State on or before the first of January or within 15 days from the time any person enters into this business but the fee provided shall be reduced by one-half for the first year any person engages in such business if he begins operations after July 1.
No truck or vehicle of the second division shall be operated on any public highway unless it be equipped with a mirror so attached that it will afford the driver a view of the road behind him.
The maximum speed for passengers cars upon any public highway outside of the limits of an incorporated city, town or village shall not exceed 35 miles an hour. This is an increase from 30 miles, the limit up to this time.
Motor trucks must not be geared to run at a greater speed than that permitted under the law, or they must be equipped with a device to prevent them from exceeding this speed. Fire and police department trucks are excepted from this provision.
Any driver of a motor vehicle who leaves the scene of an accident in which he is involved without giving his name and address and license number to the injured party or to a police officer is subject to a fine of \$200 or imprisonment in the county jail for one year or both.

FOURTH PROMISES TO BE BUSY DAY
Many Things Going for Entertainment of Local Citizens—Entertainment of Diversified Sort.
There will be worlds of amusements all during the day today of a much varied sort to furnish entertainment for those of different tastes.
This morning at nine o'clock the Community Band will give a concert on the north side of the square for an hour and this will be followed by patriotic pantomime and pageant given on the outdoor platform from 10 to 11. The Knights of Columbus will present "The Signing of the Monroe Doctrine" and this will be followed by an ensemble showing the aboriginal Indians, Uncle Sam who will be personified by George H. Evers. Revolutionary soldiers also the soldiers of 1861 the members of Matt Starr Post G. A. R. soldiers of 1898, by William H. Rule Camp No. 96 U. S. W. W. soldiers of 1918 by members of the local post of the American Legion, and the present day soldiery by members of the local Howitzer Company who will dismount and mount a gun on the platform, and war nurses who served during the World War.
After the ensemble is complete a Community Sing will be held under the leadership of Hubert Littler at which the following will be sung: Illinois, America and the Star Spangled Banner. At the singing of the National Air a flag detail will hoist the flag after which the benediction will be pronounced.
At the close of this performance the members of the Rotary Club of Peoria will present in the Opera House the Pageant, "Spirit of '76" and "The Signing of the Declaration of Independence" and the Knights of Columbus will repeat "The Signing of the Monroe Doctrine."
In case of inclement weather the whole program will be given in the Opera House.
During the morning there will also be races and contests at the state hospital and the new swimming pool at Nichols park will be dedicated with a water carnival. In the afternoon the matinee horse racing will occur at the fair grounds under the auspices of the Morgan County Fair Association. A splendid card of five races including one running race has been arranged and will be well worth the time and money spent visiting it.
At the State Hospital in the afternoon there will be a vaudeville performance, a balloon ascension and a general good time for everyone. In the evening the full program will be repeated ending up with an enormous display of fireworks, the total day's entertainment costing about \$1500 to produce.
In addition there will naturally be many private picnics and fireworks exhibitions and the day promises to be a very busy one for all who care to get busy.

PARK BOARD IN MONTHLY MEETING
The park board met last night in its regular monthly meeting. All members were present except member Metcalf. Routine business was transacted and all approved bills were ordered paid. Arrangements were made for opening the swimming pool at Nichols park today. Various other matters were brought before the board but nothing definite was decided. Different improvements were proposed but will not be considered until some more advantageous time.

Cast of Characters for Today's Pageant

The cast of characters for the outdoor pageant entitled "The Signing of the Monroe Doctrine" that will be given by the Knights of Columbus this morning at 10 o'clock on the north side of the square all of whom are members of that order is given below:

James Monroe, President of the United States will be taken by W. G. Harmon.

Daniel Webster by Charles Wilkerson.

William Crawford by Leo Clancy.

John C. Calhoun by John Foley.

Chief Justice John Marshall by Carl Hamilton.

Henry Clay by John Zell.

John Quincy Adams by George Mernin.

The only speaking part in this performance will be the reading of the Monroe Doctrine, which will be done by Mr. Harmon.

C. J. Wright has been selected to represent George Washington, who will ride in mounted on a white horse and hold a council with representatives of the four tribes of Eastern Indians. The Indians swear to support the new Colonial Government and General Washington then departs to make his report of the interview to Congress.

The ladies who have been assigned the part of nurses in conjunction with the soldiers of the American Legion are:

Miss Natha Prather, Miss Susie Parrish, Miss Helen Carter, Miss Emma Lang, Miss Gertrude Miller, Miss Vine Mulligan.

The part of Uncle Sam in this scene will be played by George Evers.

The complete program for the day is as follows:

William E. Persons, of Peoria, past president of the Peoria Rotary club and advance agent of the Patriotic Pageant to be put on by the members of the club here, is in the city today, making arrangements for the staging of that event, which will be held tomorrow in the Opera House as the last number on the program for the forenoon.

A few changes have been made in the personnel of the cast, so that the present line-up is as follows:

John Hancock—Wm. E. Persons.

Thomas Jefferson—H. Dale Morgan.

John Adams—Milo E. Reeves.

Benjamin Franklin—John H. Brewer.

Roger Sherman—Miles C. Fuller.

Robert Livingstone—Clayton Roadstrom.

Benjamin Harrison—Robert S. Hay.

The Spirit of '76—Drummer, Roy Montgomery; Color Bearer, C. H. Gillig; Fifer, Clarence Smith; George Washington, Frank H. Bush; Director, Bert Bigham.

The prologue will be read by Clarence E. Smith. This prologue

is designed to prepare the minds of the audience for the following scenes of the play and sums up the historical setting of the events. The costumes will be so true to the fashions of that day that it will be possible to recognize every character when he appears.

The scene of the signing is laid in the Old Independence Hall in Philadelphia; the resolution was first introduced into the Continental Congress, June 7th, 1776.

The debate continued till July 4th, when twelve colonies voted for and signed it, New York alone holding out, until August 2nd, when she too swung into line. So, the three dates, June 7th, July 4th and Aug. 2nd are included in the play.

Mr. Persons states that the manuscript of the play, of which Bert Bigham is the author, has been sought for publication from coast to coast, but the Rotary club has persistently retained it in their own possession.

It will supply one of the finest representations of the historical events, connected with the Fourth, ever brought to the city.

ALEXANDER SOCIETY TO MEET THURSDAY

The Missionary society of the Alexander M. E. church will hold the regular monthly meeting Thursday afternoon at the country home of Mrs. J. P. Willets.

The assistant hostess will be Mrs. Osie Duke, and a program of special interest will be carried out.

WILL UNVEIL TABLET AT WINCHESTER TODAY

Tablet to Be Unveiled On Sight of School Taught by Douglas—Russell Redshaw's Car Burns.

Winchester, July 3.—At 1:30 o'clock Wednesday afternoon a tablet will be unveiled on the sight of the first school taught by Stephen A. Douglas, famous exponent of "Squatter Sovereignty."

It is said that Douglas was so poor when he took the Winchester school that he had to walk from Jacksonville there.

At 2 o'clock the Winchester "Ad" club will hold the distribution of gifts for the gift campaign that has been in progress here for some time.

A car belonging to Russell Redshaw caught fire while standing on the square this afternoon. The blaze was quickly defeated by use of a fire extinguisher. The loss was covered by insurance.

The funeral of the baby son of Mr. and Mrs. Sydons McLaughlin was held Sunday afternoon at the Baptist church in charge of the Rev. Mr. Bayliss. Music was furnished by Mr. and Mrs. S. Smith. Interment was in Winchester cemetery.

Dagen-Hediger.

The marriage of Miss Ella C. Hediger to J. W. Dagen, both of Greenville, Illinois, was solemnized Tuesday afternoon at 4:30 o'clock at the Westminster parsonage, the Reverend Thomas B. Smith officiating.

The couple was attended by Mr. and Mrs. E. H. Sheppard with whom they are spending the 4th.

The groom is the son of Mr. and Mrs. Charles Dagen of Greenville and is agent for the Burlington at Ayers which is near Greenville. Mr. Dagen Sr., has been a foreman of a Burlington extra gang for several years.

The bride is an estimable young lady who has many friends in the vicinity of her home.

The couple will return to Greenville after today and will make their home there. The marriage will come as a surprise to their many friends, as it was stated on good authority that they expressed no intention of marriage when they first came to Jacksonville for their visit.

NOTICE

We will have our office open in our old stand Thursday morning and daily thereafter.

Social Events

B. Y. P. U. Had Picnic.

The B. Y. P. U. of First Baptist church had a very enjoyable picnic at Nichols Park last evening. The young people met at the park at 6 o'clock and after disposing of the contents of their lunch baskets played games. Arthur Howells, chairman of the social committee, had charge of arrangements for the affair.

Glencoe Circle of Ebenezer Meets.

The regular meeting of the Glencoe Circle of Ebenezer church was held yesterday afternoon at the home of Miss Helen Dinwiddie. There was no business of importance to be given attention and the afternoon was spent in a very pleasant social way. A piano solo was given by Miss Eleanor Dinwiddie and a vocal solo by Miss Ruth Dewese. Dainty refreshments were served by the hostess, assisted by Mrs. Howard McFaddin and Miss Eleanor Dinwiddie.

Orleans Country Club Met with Mrs. A. A. Curry

The Orleans Country club met Tuesday afternoon with Mrs. A. A. Curry of Pisgah. There was a good attendance of members and several visitors.

An interesting paper was read by Miss Lucille Curry on Housework and Table setting. Mrs. W. S. Jones who was a guest of the club talked to the members about the children's department at the county fair and on the Illinois League of Women Voters. A social hour followed the program and the hostess served refreshments.

Other guests were: Mrs. Joseph Jackson, Mrs. Lucy Davis, Miss Violet Davis, Jacksonville; Mrs. Leonard Wood, Mrs. Samuel Darley and Mrs. Dawson Darley of the Pisgah neighborhood.

The next meeting will be held with Mrs. Agnes Swinger, July 17.

Miss Florence Haneline Had Dinner Party.

Miss Florence Haneline entertained a number of friends at dinner last night at the home of her parents, Mr. and Mrs. W. R. Haneline, 1216 Park Place. The affair was in honor of Miss Helen Wells, of this city. The house was charmingly decorated in pink and white.

Following the dinner dancing was enjoyed and later the party went to the theatre.

Those present were: The Misses Eleanor Andre, Margaret Camps, Isabelle Short, Martha Stubblefield, Dorothy Wright, Irene Stubblefield, Helen Wells, and Florence Haneline.

CLIMBERS WILL TRY AGAIN TO SCALE HIGHEST PEAK

London. (By A. P.)—Although last year's attempt to reach the summit of Mount Everest failed, the Royal Geographical society intends launching another expedition to reach the summit next year, the Earl of Ronaldshay said in his presidential address before the society here recently.

He said that the experience gained by the expedition last year, and notably the fact established by the climbers that a camp at an altitude of 25,500 feet was a possibility, gave ground for hope that next year's attempt would be a success.

21 YEARS IN GAME, BUT BEALS BECKER STILL PLAYS BALL

By NEA Service.
KANSAS CITY, Mo., July 3.—Twenty-one years in the game and still going well. That's Beals Becker, outfielder of the Kansas City club in the American Association.
Becker, because of his long career, has been dubbed "King Tut" by fans of his home city.
Only one other player in the American Association has approached the length of service on the diamond that Becker has seen. That player is Charles Hall, with the St. Paul club. He is playing his twentieth season.
It was in 1902, that Becker just out of a military school at Lexington, Missouri, reported the Oklahoma City club in the Western League.
For five years he pitched and then became an outfielder. He went from Oklahoma City to Little Rock, Ark., and thence to Wichita, Kansas. It was there that he was shifted from the mound to the outfield. Jack Holland was the manager who picked him for an outfielder.
In 1907 Becker was purchased by the Pittsburgh club and from there he went to the New York Giants for three seasons.
Becker shared in the world series money in 1911 and 1912. From the Giants he drifted to Cincinnati and in 1916 went to the American Association in Kansas City.
Beals says the two best pitchers he ever played with or against were Christy Mathewson and "Three-Fingered" Brown.

GONA COFFEE—That's it.

A CORRECTION

An item in Tuesday's Journal indicated that James Daley, chief of special agents of the Chicago & Alton railroad, had been mysteriously murdered and his body found in a box car in the Bloomington yards. It was stated that Mr. Daley was well known in Jacksonville, having been originally assigned to this territory.

As a matter of fact it was Capt. C. J. Daley who was some years ago in charge of this territory on the C. & A. The murdered man had been in the employ of the C. & A. for only about six months.

SCHLIEBNER'S WILD THROW LOSES GAME

Allows Mostil and Sheely to Score—Falk and Tobin Hit Home Runs

ST. LOUIS, Mo., July 3.—Schliebner's wild throw to first in the ninth inning allowing Mostil and Sheely who had walked to cross the plate gave Chicago a 4 to 3 victory over St. Louis today. In the second Falk hit the ball over the right field stands for a homer. Thurston pitched well until the eighth when he was removed after Schliebner tripped. Tobin hit a home run into the right field stands and Robertson doubled.
Eddie Collins was not in the lineup because of a slight knee injury.

World Series Fame Passes Quickly

Three Former Heroes in National Victories Change Teams

JIM BARNES AND HANK GOWDY

By Billy Evans
Three world series heroes, Johnny Rawlings, Jesse Barnes and Hank Gowdy, recently passed thru the aisle of the trade market.

John William Rawlings, who choked the last ounce of life out of the New York Yankees when the Giants won the 1921 series from their American League rivals, has departed from the family of John J. McGraw.
There have been others before Rawlings and the recent transfer strengthens the trade-mark in baseball. It reads:
"It isn't what you were but what you are."

The Pittsburgh Pirates now own Rawlings, having obtained him recently in a transfer with the Phillies when they parted with Pitcher Glazner and Infielder Tierney and also drew Pitcher Lee Meadows.

YANKS and LEGIONAIRES

Forceful Facts Concerning the Interests of Former Soldiers, Sailors and Marines.

The United States Navy Engineer corps was established in 1842.

Five-sixth of the American soldiers of the World War were born in the United States.

The total strength of the National

guard in the United States is 160,000 officers and men.

According to the reports of the war department uniforms of army officers will not be changed for at least two years.

Removal of insane World War veterans from state and private asylums and their care in government-operated hospitals is being considered by the Veterans' Bureau.

The British Legion, which is patterned after the American Legion, has more than a million members. Practically every man in the House of Commons belongs to the organization.

Brigadier General David S. Gordon 91, of Washington, D. C., is the oldest living American general. Gordon was one of the famous "Frontier Guard," organized in 1861 to guard President Lincoln.

About 100 British ships including dreadnaughts, cruisers, destroyers and submarines, recently withdrawn from active service, are being broken up and beaten into razor blades and kitchen utensils.

The present number of chaplains in the American army is 125 of whom 21 are Roman Catholics and 104 are Protestant. In the navy there are 85 chaplains, of whom 18 are Roman Catholic and 67 Protestant.

A memorial is to be unveiled in the Place des Etats Unis, in Paris July 4, to the memory of the American volunteers who fought and died for France in the Foreign Legion and in the Lafayette Escadrille, before the United States entered the World War.

Nine old soldiers' and sailors' widows of the Civil War are to be retired this month from the Bureau of Pensions, Washington, D. C. Their ages range from 74 to 82 years. They will receive a retirement annuity of from \$72.50 to \$100 monthly for life.

A monument was recently erected in Chaumont, general headquarters of the American army, to Franco-American friendship. The occasion was one of the greatest manifestations of French sympathy toward the United States since the cessation of hostilities.

More than 250,000 acres of public land in six Western States were recently ordered thrown open by the Interior Department for homestead entry to ex-service men of the World War. The tracts are in California, Colorado, Idaho, Montana, Utah and Wyoming.

Of the World War losses of Germany, 56,133 were officers and officials, 212,069 non-commissioned and warrant officers, 1,572,523 enlisted men and 558 men whose ranks were not reported. These figures outnumber those of any other power in the World War.

More than 75,000 soldiers of the New York National Guard will be transported to training camp in Peekskill this summer by auto bus. This will be the first time that extensive troops movements have been made by motor in this country, although the method was used effectively in France during the World War.

The third annual convention of the Women's Overseas League recently met in Chicago, Ill. The organization is composed of nurses, "Y" girls, canteen workers, signal corps girls, entertainers and others. Memorial services were held for the 166 American women who lost their lives in France. The delegates attended in uniform.

The authorized methods of the United States army are: Civil War Campaign Medal, Indian Campaign Medal, Spanish Campaign Medal, Spanish War Service Medal, Cuban Occupation Medal, Porto Rican Occupation Medal, Philippine Campaign Medal, Philippine Congressional Medal, China Campaign Medal, Cuban Pacific Campaign Medal, Mexican Service Medal, Mexican Border Service Medal, Victory Medal and Clasp.

American army officers assisted the Daughters of the American Revolution of the District of Columbia in a campaign of education on the proper use of the American flag. According to the organization, not only in draping the flag improperly is it desecrated, but in civilians' failure to salute it as it passes in parade. Unless a man has had military

service, the chances are that, half the time, he dodges saluting even with the civilian token with respect in removing his hat and holding it against his left breast while Old Glory is passing.

 FUNERALS

The car-owning public have all too long "hung crape" on the repair business.

In the long run repairing and maintenance will be the salvation of automobile driving. Cars will never be produced that run forever without expert care.

Just because regrinders and repair men have to do with hard-used, badly misused cars, is no reason why their business should be regarded as low and degrading.

The physician who works over badly diseased bodies, or the dentist who works over foul mouths and decayed teeth has the respect of the public.

To take an abused engine (ready for the junk as some would say) and to put it back into first class working condition, there is glory and satisfaction in it.

It isn't everyone that can do reconstructive work of such a delicate nature.

It always has been and always will be the man who can make something out of nothing, who wins the plaudits and praise of the public.

SKYROCKET CAUSES FIRE TUESDAY NIGHT

Breaks Window and Sets Fire to Hopper & Hamm House Furnishing Store—Stock and Building Are Both Damaged—Loss is Fully Covered by Insurance

Jacksonville paid her annual toll to the celebration of the Fourth of July when a skyrocket fired by an unknown young man about 9:30 o'clock last night set fire to the Hopper & Hamm Housefurnishing Store, 63-65 East side of the square and did considerable damage to both stock and building. The building is owned by J. L. Johnson. Russell Arundel, 607 North Fayette street, a volunteer fireman assisting the department, was overcome by smoke and was carried from the second floor. He soon recovered.

It was impossible to estimate the damage to the stock last night. The goods in the third floor where the fire started, were damaged by both fire and water. On the first and second floors the damage was by water and smoke. It is probable the loss will run into the thousands. The damage to both building and stock is fully covered by insurance.

Alarm Soon Given

The fire was discovered shortly after the skyrocket broke the window, by Carl Richards and H. A. Clemens, who were standing in front of the Book & Novelty Shop, and the alarm was immediately turned in.

The department made a quick response and when Chief Hunt saw where the fire was located he sent for the second truck. Both were soon playing water on the blaze and at 10:30 o'clock it was under control. Mr. Hopper complimented the firemen highly saying they did excellent work in holding the flames in the third story.

Several persons saw the young man who shot the skyrocket but none knew him. A lady stated

that she thought he stole the rocket from the stand in front of the Book & Novelty Shop. However, the young man who had charge of the stand stated that he sold two to a young man shortly before the fire was discovered. Abner Thompson, 604 West College avenue, also saw the young man.

Thompson said there were several in the party and that they drove away in a car. Thompson was able to give a good description of the young man to the police. Chief Kiloran said early this (Wednesday) morning that he was making a thorough investigation and probably would have something to report before many hours.

There are two versions of how the rocket was shot. Some of the eyewitnesses said it was stuck in the bricks piled in front of the Hopper & Hamm store for the remodeling work that is now going on. Others said that it was lighted and thrown by the young man. It is probable that the latter version is correct.

Building Erected Years Ago
The Johnson building was erected by the late W. B. Johnson and is one of the oldest buildings now standing on the public square. It is in good condition and is now undergoing extensive improvements, in the changing of the front for the new firm.

The improvements will go forward as well as the repairing of the damage to the building by the fire and water. Messrs. Hopper & Hamm were unable to make a definite statement last night. However, it is probable temporary quarters may be found while the work of repairing the building is in progress.

FINAL CONFERENCES IN I. W. C. CAMPAIGN

Teams Made Reports at Noon and Evening Meetings—Total Subscriptions \$73,966—Work of Solicitation Will Continue at Later Time.

Conferences of workers in the Illinois Woman's college campaign were held at noon and again at 6:15 o'clock yesterday. Then between 10 and 12 o'clock there was another gathering at the Woman's college where the final reports were received. These reports gave a total of subscriptions in Jacksonville and vicinity of \$73,966.

The reports presented at the 6:15 o'clock conference showed a total of subscriptions for the day of \$15,822, which with the previous subscriptions made a total of \$73,231. Later subscriptions brought the total to the figures indicated above.

The team captains' reports made at the evening conference were:

H. M. Andre	\$ 685.
Dr. A. B. Applebee	453.
F. J. Blackburn	3,082.
E. A. Brennan	460.
T. A. Chapin	260.
J. W. Larson	1,690.
C. T. Mackness	120.
C. Y. Rowe	2,775.
H. A. Williamson	120.
Vicinity	2,665.

Total \$15,822.
This record together with the previous subscriptions gave F. J. Blackburn's team a total of \$9,359 and J. W. Larson's team a total of \$8,815. Third honors went to C. Y. Rowe's team with a total of \$7,120.

At the evening conference E. E. Crabtree presided and there were brief talks by Senator McMurray, M. F. Dunlap and Dr. Harker. When the final reports had been made showing that the goal had not been reached, E. A. Brennan with a second by John W. Merigan made a motion that it be the sense of the assembly that they would agree to join with the college authorities at some later time in raising the additional money needed.

Dr. Harker said that he keenly appreciated this sentiment and that the action would be entirely satisfactory. The motion was approved by unanimous vote. Then Dr. Harker told the workers how much their support had meant and how certain he was now that the Woman's college will continue to grow.

DR. HARKER EXPRESSES APPRECIATION

Dr. J. R. Harker last night voiced his keen appreciation of the generous support given by the people of Jacksonville and vicinity in the campaign for funds for the Woman's College. "I have appreciated more than I can tell you, said Dr. Harker, 'the generous contributions of money, the time that has been so freely given by men and women, and also the many kind words that have been spoken.'

I am convinced as never before that the people of this vicinity are really friends of the college and that they have an understanding of what the college management has tried to accomplish.

"The campaign to my mind has furnished an example of the most perfect co-operation. There was no conflict of interests of any kind and the people of all denominations have worked together in perfect union. Our office was maintained at the Pacific hotel and we are grateful to the management for many courtesies.

The goal of \$100,000 set for Jacksonville and vicinity has not yet been reached but wonderful progress toward this goal has been made in just a week's time.

"Other subscriptions will be sought and there is no doubt but that later on the full amount will have been secured. At the conference Tuesday night business men of Jacksonville voluntarily made the pledge that at some future date they will gladly join in an effort to raise whatever may be lacking. The future growth of the college is now certain. You can be sure that a science building and other needed structures will eventually take their place upon the campus.

ALL SET FOR RACES AT FAIR GROUNDS TODAY

Every Race Should Be Hotly Contested—Special Trot Is Feature.

All is in readiness for the matinee races at the fair grounds today. Each race is well fitted and with good weather some fine contests should develop. With the baseball game called off there should be a large crowd present this afternoon. In addition to the regular program there will be a special trot. In this event Harry Way of Ashland will send his trotter Edna Mayo against the track record of 2:17 1/4. The races and entries are given here under:

First race A class trot—Judeth Deforest, Benny Dillion, General Singleton, Wendelyn Patch.

Second race, B class pace—Tommy Mack, No Name, Red Bill Lady Cupid, Mabel Lena, Western Gale, Eveline Patch.

Third race, A class pace—More, Central Michigan, Eva Tango, Miss Dillion, Western Gale.

Fourth race, B trot—Peppo Boy, Major Gentry, Miss Cys Beas, Angeline Patch, Roming Ted.

WARNING

No fireworks of any description allowed to be discharged on Fair Grounds today.

BI-CONFERENCE PLAN ENDS SUCCESSFULLY

Goal of \$1,250,000 Reached at Midnight Tuesday—Woman's College Will Get One Fifth of This Amount.

A number of the local friends of the Illinois Woman's college met Tuesday night to await the final returns in the bi-conference movement. It was thus that at 11:45 o'clock that President Harker received a phone message from Dr. Hancher in Peoria giving the glad news that the goal of \$1,250,000 had been reached, with an overplus of several hundred dollars.

This glad tidings was received with real joy. Cheers were given and then the whole company joined in the singing of the doxology. The bi-conference movement was a joint effort to raise \$1,250,000 for the Wesley Foundation, at the University of Illinois; Illinois Woman's College in this city; Illinois Wesleyan University at Bloomington and Chaddock Boys' school at Quincy, and the retired ministers fund of the two conferences.

Out of this total asked, the Woman's College will receive one-fifth, which is \$250,000. This amount together with additional local pledges and some other subscriptions the college has previously received make it certain the college can fulfill the conditions imposed by the educational board in its offer to the college of \$167,000.

The campaign for funds through the district has been under the direction of Dr. Hancher, who is the chairman of the finance board of the department of education of the Methodist church.

Because of somewhat depressed financial conditions the campaign has been more than usually difficult and arduous work has been necessary. Additional subscriptions now pending are expected today, so that the bi-conference total will likely run several thousand dollars beyond the asking and the excess amount will help take care of the shrinkage which always occurs.

JULIUS KUECHLER HURT BY RUNAWAY HORSE

Former Jacksonville Man Now of Elgin Receives Painful Injuries While Trying to Stop Runaway.

While trying to check the flight of a runaway horse on West State street yesterday noon Julius Kuechler of Elgin, was knocked down and received painful cuts and other injuries about the head.

Mr. Kuechler was in the city to see his mother, Mrs. R. A. Kuechler, 124 Pine street who has been critically ill. He was walking up West State street with Harry Clement when the horse, attached to a laundry wagon, became frightened by a torpedo, and proceeded to run away. Both of the men tried to reach the horse and stop it before damage was done. Kuechler reached the horse first, it was not known whether he was kicked by the animal or was knocked to the ground by its body, but he was picked up in an unconscious condition and taken to the office of Dr. A. M. King with his head bleeding profusely. The injuries were found to be less serious than was at first anticipated and the gentleman will be able to return to his home in Elgin within a few days.

SCOTT COUNTY WOMAN PASSED AWAY MONDAY

Mrs. Ellen Thorp Dies at the Age of 90 Years—Was Relative of Jacksonville People

Mrs. Ellen Thorp passed away Monday at her home four miles east of Winchester at 90 years of age. Decedent was the second child of William and Frances Wilkinson and was born at the Wilkinson homestead two miles east of Lynnville in 1833. She was married to Saunders Thorp, who passed away in 1866 leaving in her care five small children. Lyman T. Thorp and Della Thorp at home, and William Thorp, Cornelius Thorp, and Mrs. Mattie Wells, deceased. Early in her life the deceased joined the Methodist church and was for the remainder of her life a faithful and valued member.

Decedent was a sister of Mrs. Mary Fearneyhough and Mrs. Frances Hall, deceased and was the aunt of William E. Hall, Harry Hall, Julian Hall, Albert J. Hall and Mrs. Mary Griswold all of this city.

Funeral services will be held at the Methodist Episcopal church in Winchester, Thursday at 3 P. M.

CHAUTAUQUA AT
ARENZVILLE TO
BEGIN JULY 29

Annual Attraction Will Last Five
Days and Good Programs Are
Promised—Children Will Give
Pageant.

Arenzville, July 3.—The dates of the annual Mutual-Morgan Chautauqua to be given in Arenzville have been set for July 29-Aug. 2. Five days of good entertainment which none can afford to miss. On the first afternoon, that is July 29th, the Junior director will begin the supervision of her work. She will organize the Junior Town, stage a parade have a ticket hunt and play games with the youngsters. In the evening the Miner players will play "It Pays to Advertise." An inimitable comedy with a punch that will bring many a laugh and will show the value of advertising.

On the second afternoon the Stewart Barker Concert Party, consisting of Stewart Marker, the eminent American baritone; Ada Allen, soprano, and Gladys Koltmeier, pianist-cellist, will give a pleasing concert. Dr. Homer B. Halbert will also deliver a lecture entitled "When East Meets West." In the evening the Stewart Barker Concert Party will again appear and Dr. Homer B. Halbert will lecture on "A Yank in the Far East."

The third day's program brings to town the Landis Buckeye band with a popular concert. A program of standard music interspersed with novelty numbers. In the evening of the third day the Landis Buckeye band will give a grand concert, featuring several specialty numbers, including a violin solo with full band accompaniment. Dr. Raymond Tolbert will deliver a lecture entitled "The Four Roots of Democracy."

The Concert Entertainers will give a variety program of vocal and instrumental solos, costumed, songs and a short sketch on the afternoon of the fourth day. The play, "Happiness" by Elias Day Players will be presented in the evening. This is Laurette Taylor's greatest popular success by J. Hartley Manners.

The De Wells Concert company comes on the afternoon of the fifth day with a popular concert featuring the Concertina Grande. Mary Mcneaire Parker, the greatest monodist in original stories and readings will also furnish entertainment.

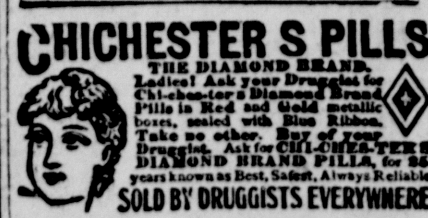

The climax of the entire program comes in the evening of the fifth day when the Junior Town pageant will be given by the local boys and girls. The De Wells Concert company will give a concert, a variety of vocal and instrumental renditions featuring the Concertina Grande, violin and voice ensemble. To close the program of the five day Chautauqua Mary Mcneaire Parker will again appear on the platform with a pleasing program of original monologues by a famous entertainer.

Tells How She Was Made Well
by Lydia E. Pinkham's Vegetable
Compound

Indianapolis, Ind.—"Now I want to tell you just what induced me to take your medicine. It seemed that I had some kind of weakness so that I could not carry a child its full time. The last time I was troubled this way I had a nervous breakdown and was a complete wreck. The doctor thought I would not live, and if I did that I would never be well and strong again. But I told them I was going to get well, that I was not going to die just then. My husband got me Lydia E. Pinkham's Vegetable Compound and I took six bottles of it. I soon got strong again and had three more children. I have recommended the Vegetable Compound ever since, and if you could see me now you would think I had always been well."—MARY F. HERRICK, 234 Detroit St., Indianapolis, Ind.

Lydia E. Pinkham's Vegetable Compound is an excellent medicine for expectant mothers and should be taken during the entire period. It has a general effect to strengthen and tone up the entire reproductive system, so that it is work in every respect effectually as nature intends.

CUPID'S STOCK EXCHANGE BOOMING IN GERMANY

BERLIN. (By A. P.)—Fewer babies are being born in Germany now than before the war and fewer people are dying, but the marriage license clerks are doing more business than during 1913. The Germans say there is a boom in the marriage market "after every war."

The state of Hamburg lived up to its name of having the most attractive "traulins" in the republic. It chalked up a wedding record of about 15 to every 1,000 inhabitants. Schaumburg-Lippe, a little to the south of Hamburg and in romantic proximity to Steinhuder Lake, ran a close second with 14 to every 1,000. Saxony's proportion stopped at slightly over 13, while Berlin city's was only 12.8. The most timid bachelors in the mountainous state of Waldeck, in the Weser basin, where there have been only about seven weddings to every 1,000 residents. And yet the Waldeck boys have not such faint hearts as before the war, when their average was only 5.4.

The statistics for Wuertemberg, Mecklenburg-Schwerin, and Mecklenburg-Strelitz have not yet been received at official headquarters here; not including these three states, Germany's marriage rate the past year was 10.9 for every 1,000 inhabitants, compared with only 6.6 in 1913.

Babies appeared in the states reported at the rate of 23 for every 1,000, as against a proportion of 28.9 before the war. Most of the births were registered in Upper Silesia and the least in Berlin. The former's proportion was approximately 32, the latter's less than 12.

Germans have been dying at the rate of 12.5 out of each 1,000 the past 22 months, while in 1913 death was taking a proportionate toll of about 15. Upper Silesia, which had the highest birth rate, also led in the ratio of deaths.

ROODHOUSE

There were two hundred at the M. E. Sunday school last Sunday the offering was \$21.91.

Mr. and Mrs. J. C. Evans and two daughters accompanied by Mr. Evans father left Roodhouse Tuesday morning in their automobile to drive to Texas where they will spend some time in the vicinity of Dallas visiting relatives. They expect to camp out enroute if the weather permits, having taken along equipment for that purpose and count on making the trip to Dallas in seven days.

Mr. and Mrs. T. H. Davidson drove to St. Louis Tuesday returning home Wednesday.

Mrs. Byrd Ruyle and two daughters Leta and Pauline left Tuesday evening for a visit with relatives at Des Moines, Iowa. Mrs. E. E. Thompson of St. Louis is spending the week in Roodhouse with her daughters, Mr. and Mrs. W. B. Huitt and Mrs. Henry Gerbing.

SEEK ACCURATE DATA OF WIND PRESSURE ON SAILS

BOSTON. (By A. P.)—Important changes in the art of sail cutting may result from experiments being conducted by Professor Edward P. Warner, of the Massachusetts Institute of Technology, on a small boat in the Charles River Basin. Realizing that radical alterations in hull designs have resulted from years of experiments and measurements of resistances, and that the art of sail making had not kept pace with boat construction, a small group of yachtsmen about a year ago began to discuss the effect of wind on sails.

After investigation they came to the conclusion that no accurate data on the subject had ever been compiled and that "rule of thumb" methods still prevailed. Notable results in the study of the effects of forces on aeroplanes wings were achieved by Professor Warner in the course of the war, and to him

the yachtsmen brought their problem.

He consented to undertake a study of the question and the small boat Papoose was commissioned for the work. The task is still in its infancy. Results already obtained must be assembled and studied. Long series of observations at different wind velocities and different angles of sailing must be obtained and plotted. A year's program of experimentation has been mapped out.

WHY

Spend three hours, hard work, (sometimes more) sweeping and cleaning the floors and other parts of your home, when thirty minutes or less will accomplish the same purpose, and do it better? The Eureka does just that. We can prove it.

With the Eureka not only are all floors easily and quickly cleaned, but furniture, bedding, curtains, pillows—YES, EVEN CLOTHING—is cleaned of all dust, and made bright, in so short a time as to make this phase of housework a real delight.

NEW YORK, July 3.—Reac-
tionary price movements predom-
inated in today's stock market,
the usual pre-holiday dullness be-
ing apparent in many issues.
Opening prices were firm but
the market turned heavy in re-
sponse to extensive liquidation of
several low price shares.

Several of the dividend paying
railroad shares were pressed for
sale just before the close. Dela-
ware & Hudson, breaking five
points to a new low and Canadian
Pacific, Louisville & Nashville and
Reading closed 2 to 3 points low-
er. New lows for the year also
were established by St. Paul, preferred,
Missouri Pacific and Chi-
cago & Eastern Illinois preferred.
Baldwin was the most vulner-
able of the Standard Industries
dropping 30 points to 116 but rally-
ing slightly before the close.
Oil shares showed a steadier
tone on reports of substantially
reduced oil well completions east
of the Rocky Mountains.

RAINEY MENTIONED AS PRESIDENTIAL PROSPECT

The Literary Digest in its current issue presents a feature article on who will get the Democratic nomination for president next year. Letters were written to 2000 of the most prominent members of the Democratic party asking them who, if they were to be delegates to the national convention, they would give first, second and third choice. It will doubtless interest the people of this vicinity to learn that Congressman Henry T. Rainey, of Carrollton was accorded second place by one voter and third by another.

Child-birth

Here is a wonderful message to all expectant mothers!

When the Little One arrives, you can have that moment more free from suffering than you have perhaps imagined. An eminent physician, expert in this science, has shown the way. It was he who first produced the great remedy, "Mother's Friend."

Mrs. C. J. Hartman, Scranton, Pa., says: "With my first two children I had a doctor and a nurse, and then they had to use instruments, but with my last two children I used Mother's Friend and had only a nurse; we had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes." Use "Mother's Friend" as our mothers and grandmothers did. Don't wait, start today, and meanwhile write to Bradfield Regulator Co., B. A. 46, Atlanta, Ga., for a free illustrated book containing information every expectant mother should have. "Mother's Friend" is sold by all drug stores—everywhere.

CUTICURA HEALS HARD PIMPLES

Festered and Scaly, Itched So Could Not Sleep.

"My face started breaking out with blackheads and pimples. The pimples were hard and red and would fester, and after they festered they became scaly and looked terrible. Some nights they would itch so I could hardly sleep. My face was badly disfigured and I was ashamed to go anywhere."

"A relative advised me to use Cuticura Soap and Ointment so I sent for a free sample. I purchased more, and after using five cakes of Cuticura Soap and three boxes of Cuticura Ointment I was healed."

(Signed) Miss Helen Young, 843 Holloway St., Akron, Ohio.

Rely on Cuticura Soap, Ointment and Talcum to care for your skin.

Sample Each Free by Mail. Address: "Cuticura Laboratories, Dept. H, Malden 61, Mass." Sold everywhere. Soap 10c. Ointment 12c and 10c. Talcum 5c. Cuticura Soap always without mug.
